On Behalf of Friends of Oignies Association

Notice of subs due with effect from 1 September 2024

9. Subscriptions

The current level of subscription set at £30 per adult member (as passed by vote at the AGM 2023) for the current financial year commencing 1 September 2024.

All money raised by the Association is used for the benefit of our members in the running of the Association and subsidising the cost of hospitality during years in which we host. The current subscription level benefits from a significant subsidy through fundraising events and grants which have been severely restricted in recent times.

To ensure we are able to offer appropriate hospitality during our hosting years it is essential that the Association continues to generate capital reserves either by a membership levy or via alternative fundraising activity.
